

Choline chloride 60%

Specification code CHCH60/1/AD

Date 11/01/2022

Product description		Physical chemical analysis	
Description	Fine free flowing granular powder of a light brown colour. Light characteristic smell of choline.	Choline chloride	Min 60%
		Purity criteri	Min 99%
		Carrier	cereal carrier, mainly corn cobs
		Humidity	Max 2.0%
		Molecular weight	139,63
		TMA	Max 300 ppm
		Solubility	Soluble in water and alcohol. Carrier is not soluble
		Density	+/- 450-510 kg/m³
		Particle size	90% passes a No. 20 mesh screen
		Texture	Medium fine
Other specs			
Transport		Loose in bulk	
Shelf life		24 months
