

Specification code MET/5/CHE/E

Date 20/01/2025

Product description

Description	L-Methionine is an essential amino acid.
Colour	White or almost white
Taste and smell	Characteristic
Appearance	Crystals or crystalline powder
Appearance of solution	Clear and colourless

Others specs

Storage	Cool (5-30°C), dry (20-75%) and dark place. Store in sealed or closed containers. Keep away from moisture, sunlight and heat. Avoid direct contact with floor and any source of combustion.
Packaging	Small bags / Big bags

Physical chemical analysis

Assay	≥ 98,0 %
Loss on drying	≤ 0,3 %
pH	5,0 - 6,1
Chloride (Cl)	≤ 200 ppm
Sulphate (SO ₄)	≤ 200 ppm
Ammonium (NH ₄)	≤ 200 ppm
Iron (Fe)	≤ 10 ppm

Heavy metal analysis

Lead (Pb)	<10 ppm
Arsenic (As)	<5 ppm
