

| Product description        |                                                                                                                                                   |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Country of origin          | China                                                                                                                                             |
| Color                      | Brownish-brown                                                                                                                                    |
| Aroma                      | Characteristic, without foreign odors                                                                                                             |
| Taste                      | Mildly pungent, without off-flavors                                                                                                               |
| Microbiological parameters | Compliant with Commission Regulation (EC) No 2073/2005 with subsequent amendments                                                                 |
| Allergens                  | None<br>The following allergens are present in the facility: celery, mustard, nuts, sesame, eggs, gluten, soy, sulfur dioxide                     |
| Pesticides                 | Pesticide residues do not exceed the levels established in Commission Regulation (EC) No 396/2005 of 23 February 2005 with subsequent amendments. |
| Ionization                 | The product has not been subjected to ionizing radiation.                                                                                         |
| Storage                    | Store in dry and cool places in sealed packaging (temperature up to 25°C, relative humidity up to 75%).                                           |

| Physico-chemical parameters                                                   |                                                       |
|-------------------------------------------------------------------------------|-------------------------------------------------------|
| Moisture content, not more than [%]                                           | 12                                                    |
| Organic and mineral contaminants not more than [%]                            | 1.5                                                   |
| Heavy metals, not more than [mg/kg]                                           | Compliant with Commission Regulation (EU) No 2023/915 |
| Ochratoxin A                                                                  | 15                                                    |
| Benzo(a)pyrene                                                                | 10                                                    |
| Sum of benzo(a)pyrene, benzo(a)anthracene, benzo(b)fluoranthene, and chrysene | 50                                                    |
