Urea

Specification code Ur-a

Date 22/08/2022

Product description

Description	Urea is an inorganic compound found in nature
Consistency	A solid white prill
Chemical formula	$CO(NH_2)_2$
Shelf life	1 year

Physical properties (approx.)

Bulk Density Loose (ISO 3944)	730 g/liter
Bulk Density Tapped (ISO 5311)	755 g/liter
Size Guide Number	160-180

Product Properties

Total Nitrogen	46.5%l
Biuret	0.85% - 0.95%l
Equivalent Crude Protein	290.63%
Moisture	0.2% - 0.3%

Handling and Storage

Temperature	10 - 30 C must be as stable as possible
